B. Read the following passage and choose the best answer to answer the questions below

It is estimated that about 200 million people use the Internet computer network around the world. The Internet allows people to work at home instead of traveling to work. The Internet allows businesses to communicate with customers and workers in any part of the world for the cost of a local telephone call. E-mail allows users to send documents, pictures, and other data from one part of the world to another in at least 5 minutes. People can use the Internet to do shopping. This saves a lot of time. It is possible to use the Internet for education – students may connect with their teachers from home to send or receive e-mail or talk about their problems' online' rather than attend a class.

1. The Internet allows people _____.
A. to stay at home and rest B. not to work C. to travel to work D. to work at home
2. To a business, the Internet is _____ to communicate with customers.
A. a cheap way B. a very expensive way C. an inconvenient way D. a difficult way

→The picture in our room is.....
14. Folk music is not the same as pop music.
→Folk music is.....

V. WRITING

1. Write a paragraph of about 50-60 words about your hobby. You should write:

- What's your favourite hobby?
- When did you start it?
- Who do you share your hobby with?
- What do you need to do your hobby?

1. My favorite hobby is listening to K-pop music. When I was in sixth grade, I started listening to Korean songs in my free time. I usually watch Korean idols perform on the live stage, and I share them with my friends. Music helps me relax and be happy after studying at school. Also, it helps me learn more about the culture and customs of other countries. I think we need to listen to music in our free time to relax our brains and have a better life.

2. I have many hobbies, but I like reading the most. Books are always a good friend to me. I started reading books when I was in grade 3. I usually share my hobby with my friend and my English teacher. Reading is a good way to improve my vocabulary because I can learn many new words. By reading, I get better at concentration and get relaxed. I think reading is one of the most interesting indoor activities, and I will maintain this good habit.

2. Write a paragraph of about 50-60 words to give advice on how to keep fit and stay healthy. Use the following cues:

- Exercise/play sports
- Sleep
- Drink water
- Eat less salt and sugar. Eat more fruits and vegetables.

Staying healthy is the most important thing in our life. There are a lot of activities for us to stay healthy such as playing sports, having enough sleep, and drinking two liters of water a day. For me, I usually go swimming with my father every afternoon. I swim about 2 hours every day. Swimming helps me relax after working hard and it also helps me have good health. I like swimming very much because I want to be a swimmer.

3. Write a paragraph of about 50-60 words about the eating habits in your area. You should write:

- How many meals a day do people in your area have?
- Where do they usually have lunch?
- What do they often have for lunch?
- Which is the main meal of the day?

People in our area have three meals a day. In the morning, they usually eat outside with pho, sticky rice or banh mi, They normally eat lunch in the office at 12 p.m. They may bring a lunch box. There is usually rice, meat, and vegetables. In the evening, they often have dinner at 7 p.m. This is the main meal of the day and the whole family will have dinner together. At the weekends, they may eat out in restaurants.
