- share your love of coffee

Join us as a **Team Member**, **Assistant Manager** or **Café Manager**, depending(20) _____ your (21) _____ skills and experience.

Question 19: A. who B. which C. when D. Whom

Question 20: A. about B. of C. in D. on

Question 21: A. differ B. differently C. difference D. different

SECTION III. READING

Part 1. Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks.

International organizations play an important role in solving global problems. These organizations bring countries together to work on issues like poverty, education, and health. The United Nations (UN) is one of the largest and most well-known international organizations. It helps countries work together to promote peace and security in the world.

In addition to the UN, there are many other organizations (22) _____ focus on specific areas. For example, the World Health Organization (WHO) works to improve global health. International organizations play an important role, but the United Nations is (23) _____ than most other organizations. The World Trade Organization (WTO) helps manage international trade. These organizations are important because they ensure that countries cooperate in solving (24) _____ that affect everyone, not just one country.

International organizations also work hard to protect human (25) _____ and ensure that all people have access to basic needs like clean water, education, and food. Moreover, these organizations often provide financial support and resources to countries that need help.

Thanks to international organizations, people in many countries have better opportunities to live in (26) _____ lives. However, there is still a lot to be done. Some countries face challenges in fully participating in global solutions, especially in times of crisis.

Question 22. A. which B. that C. where D. who

Question 23. A. more important B. most important C. the most important D. important

Question 24. A. opportunities B. problems C. equalities D. solutions

Question 25. A. force B. health C. rights D. knowledge

Question 26. A. health B. healthy C. healthily D. unhealthy

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions

In recent years, new learning **methods** have become more popular, especially among young students. Traditional education, which mainly focuses on classroom learning and textbooks, is no longer the only way to study. **Many students are now turning to online learning, which offers flexibility and convenience.**

Online courses allow students to study at their own pace and from the comfort of their own homes. This method is especially useful for people **who** cannot attend regular classes due to time or location restrictions. Many universities and schools now offer online programs in various fields, such as business, technology, and even art.

There are also hybrid learning models, which combine online lessons with face-to-face interactions. This method provides the best of both worlds by offering flexibility while still allowing for in-person collaboration and social interaction.

Overall, these new learning methods are shaping the future of education, making learning more accessible and engaging for students worldwide. As technology continues to advance, the way we learn will keep changing and improving.

Question 27: What is the main idea of the passage?

- A. The rise of new learning methods. B. The importance of textbooks.
C. The decline of technology. D. The impact of classroom education.

Question 28: Which word is closest in meaning to the word "**methods**"?

- A. events B. ways C. technologies D. interaction

Question 29: The word "**who**" in paragraph 2 refers to _____

- A. locations B. citizens C. generations D. people

Question 30: In which paragraph does the writer mention educational places?

- A. Paragraph 1 B. Paragraph 2 C. Paragraph 3 D. Paragraph 4

Question 31: Which of the following best paraphrases the sentence:

"Many students are now turning to online learning, which offers flexibility and convenience."

- A. Online learning is becoming more popular because it is flexible and convenient.
B. Students are choosing online learning because it is difficult to attend classes.
C. Students are moving away from online learning due to its inconvenience.
D. Online learning is only for students who have no time for traditional classes.

SECTION III: WRITING

Part 1. Mark the letter A, B, C, or D on your answer sheet to indicate the correct arrangement of the sentences to make a meaningful paragraph/letter in each of the following questions.

Question 32:

- a. Best wishes.

- b. First of all, self-study gives learners more freedom. They decide what they should study and how to learn depending on their abilities.
