Audio script 1

If you have the chance to visit India, don't forget to enjoy their food. Every region in India has its own typical cuisine with a signature dish or ingredient. Vegetarians fancy travelling to India because it is one of the best countries for vegetarian cuisine. However, non-vegetarians have numerous options to choose. Different types of meat like pork, chicken, and fish are available in the local markets. India is also famous for wonderful herbs and spices. They are used for adding flavour and colours to dishes. Tourists may find it strange to enjoy food with their hands, but it's great to try the Indian tradition of eating with your hands. Remember to wash your hands carefully before and after eating, and use your right hand to eat.

Audio script 2

Interviewer: Good morning! Today on *Bubble Hobbies* we'll be hearing about a strange hobby. Maybe, a normal girl likes collecting dolls when she is a little one. However, it is not easy to continue with the hobby when she becomes an adult. Mary is different, and she'll tell us about her hobby. Mary, good morning! When did you first become interested in planes?

Mary: Since I was a little girl, I've always loved the idea of flying.

Interviewer: And what kind of planes do you fly?

Mary: Very light planes, known as microlights.

Interviewer: How old did you first fly a microlight?

Mary: You must be at least 14 to have lessons, but you can fly by yourself at 15.

Interviewer: What do you like most about it?

Mary: Oh ... I can get away from hard studying days, stress, or pressure, but I think, most of all, sense of excitement.

Interviewer: Yes, it must be fantastic to be up in the air like that.

Mary: It's like being an eagle. There's nothing else like it!
