The local newspaper carried out a survey with city dwellers about how to make the city a more liveable place. Most participants in the survey talked about the city's traffic.

First, they wanted stricter traffic laws to stop drivers from ignoring traffic lights and breaking speed limits. This would help reduce road accidents. In addition, they hoped their city would improve its public transport system. For example, buses should be clean and have air conditioners. There should be bus lines that reach almost all areas in the city, so it would be easy for people to get around. They said that good public transport could also save the city money. The local authority wouldn't need to construct new parking lots and widen roads to cater for the increasing number of private cars. Finally, the survey participants suggested the local authority build traffic apps. The apps could recommend to drivers the best routes to avoid **traffic congestion**. The sooner the government started implementing these, the more convenient it would be to travel around the city.

The participants also mentioned the importance of encouraging people to use bicycles for short distances. They believed that building more bike lanes would make cycling safer and more attractive. Moreover, the local authority should run public campaigns to raise citizens' awareness

about traffic safety. With these combined efforts, the city could become not only more liveable but also more environmentally friendly.

The world is full of lively cities, and each offers a unique blend of culture, infrastructure, and opportunities. However, some cities stand out for their exceptional liveability.

Vienna, the capital city of Austria, consistently ranks as the most liveable city in the world. It boasts excellent education, health services, and a rich culture. Copenhagen, the capital city of Denmark, is considered one of the best places to live in the world. It is known for its high quality of life, **sustainable** practices, and beautiful architecture. Melbourne and Sydney, two Australian cities, are famous for their high living standards, excellent education systems, and wonderful places for entertainment. Vancouver, Canada, is praised for its stunning natural beauty, clean environment, and a rich culture. Zürich, Switzerland, offers a high standard of living, excellent services, and a strong connection.

These cities, while diverse in culture and geography, share common traits that make them highly liveable. They offer a balance of economic prosperity, cultural richness, safety, and a high quality of life. However, what makes a city "liveable" can vary greatly depending on personal preferences and needs.

Tạm dịch: Thế giới tràn ngập những thành phố sôi động, mỗi thành phố mang đến sự pha trộn độc đáo giữa văn hóa, cơ sở hạ tầng và cơ hội. Tuy nhiên, một số thành phố nổi bật với mức sống đáng mơ ước.

Vienna, thủ đô của Áo, liên tục được xếp hạng là thành phố đáng sống nhất thế giới. Thành phố tự hào với nền giáo dục xuất sắc, dịch vụ y tế và nền văn hóa phong phú. Copenhagen, thủ đô của Đan Mạch, được coi là một trong những nơi đáng sống nhất thế giới. Nơi đây nổi tiếng với chất lượng cuộc sống cao, các hoạt động bền vững và kiến trúc tuyệt đẹp. Melbourne và Sydney, hai thành phố của Úc, nổi tiếng với mức sống cao, hệ thống giáo dục xuất sắc và những địa điểm giải trí tuyệt vời. Vancouver, Canada, được ca ngợi vì vẻ đẹp thiên nhiên tuyệt đẹp, môi trường trong lành và nền văn hóa phong phú. Zürich, Thụy Sĩ, mang đến mức sống cao, dịch vụ xuất sắc và sự kết nối mạnh mẽ.

Những thành phố này, mặc dù đa dạng về văn hóa và địa lý, nhưng có những đặc điểm chung khiến chúng trở nên rất đáng sống. Chúng mang đến sự cân bằng giữa thịnh vượng kinh tế, sự phong phú về văn hóa, an toàn và chất lượng cuộc sống cao. Tuy nhiên, những yếu tố làm nên một thành phố "đáng sống" có thể rất khác nhau tùy thuộc vào sở thích và nhu cầu cá nhân.

Read the following passage and choose the letter A, B, C or D to indicate the correct answer to each of the questions.

Being in Cong Thanh village in Tam Quan Bac commune, Hoai Nhon district of Binh Dinh province on sunny days, visitors will see sedge plants and flowery sedge mats drying in every available open space, on the roadside or drying yards.

For years, the local people, old and young, have earned their living by growing sedge plants and weaving flowery mats. In the houses, women, old and young are working at the weaving looms, their hands feeding threads to and fro on the looms so skillfully. To have a nice, **durable** mat, there should be a total of three jobs combined together: the first is to grow sedge plants, harvest, split and dry them; the second is to dye rush threads and the last is to weave mats. A **skillful** weaver who works from early morning till late in the afternoon can weave three pairs of mats (mats are often sold in pairs). In most cases, the mats are weaved with colorful, flowery designs.

Cong Thanh sedge mats are famous throughout the southern region of Central Viet Nam. If you leave Cong Thanh village late in the afternoon, you still see many people busily working. They transport sedge plants into a store house and sort them, or pack mats to deliver to consumers. All make up a nice picture of a traditional craft village.

Read the following passage and choose the letter A, B, C or D to indicate the correct answer to each of the questions.

Being in Cong Thanh village in Tam Quan Bac commune, Hoai Nhon district of Binh Dinh province on sunny days, visitors will see sedge plants and flowery sedge mats drying in every available open space, on the roadside or drying yards.

For years, the local people, old and young, have earned their living by growing sedge plants and weaving flowery mats. In the houses, women, old and young are working at the weaving looms, their hands feeding threads to and fro on the looms so skillfully. To have a nice, **durable** mat, there should be a total of three jobs combined together: the first is to grow sedge plants, harvest, split and dry them; the second is to dye rush threads and the last is to weave mats. A **skillful** weaver who works from early morning till late in the afternoon can weave three pairs of mats (mats are often sold in pairs). In most cases, the mats are weaved with colorful, flowery designs.

Cong Thanh sedge mats are famous throughout the southern region of Central Viet Nam. If you leave Cong Thanh village late in the afternoon, you still see many people busily working. They transport sedge plants into a store house and sort them, or pack mats to deliver to consumers. All make up a nice picture of a traditional craft village.

Dịch: Đến làng Công Thành, xã Tam Quan Bắc, huyện Hoài Nhơn, tỉnh Bình Định vào những ngày nắng đẹp, du khách sẽ bắt gặp những cây cói và chiếu cói hoa phơi khắp nơi, ven đường hay sân phơi.

Từ bao đời nay, người dân địa phương, già trẻ lớn bé, đều mưu sinh bằng nghề trồng cói và dệt chiếu cói hoa. Trong nhà, những người phụ nữ, già trẻ đều tất bật bên khung cửi dệt, tay đưa sợi qua lại trên khung cửi một cách khéo léo. Để có được một tấm chiếu đẹp, bền, cần tổng cộng ba công đoạn kết hợp: thứ nhất là trồng cói, thu hoạch, chẻ và phơi khô; thứ hai là nhuộm sợi cói và cuối cùng là dệt chiếu. Một người thợ dệt lành nghề, làm việc từ sáng sớm đến chiều muộn có thể dệt được ba đôi chiếu (chiếu thường được bán theo đôi). Hầu hết, chiếu được dệt với họa tiết hoa văn sặc sỡ.

Chiếu cói Công Thành nổi tiếng khắp miền Nam Trung Bộ. Rời làng Công Thành vào buổi chiều muộn, bạn vẫn thấy rất nhiều người đang tất bật làm việc. Họ vận chuyển cây cói vào kho để phân loại, hoặc đóng kiện chiếu để giao cho người tiêu dùng. Tất cả tạo nên một bức tranh đẹp về một làng nghề truyền thống.
