Entertainment nowadays is very different from entertainment in the past. In the past, people relied on traditional forms of entertainment such as books, radio, and live performances. They would gather in theatres or at home to listen to radio dramas or watch plays. Movies were a popular form of entertainment, but people had to go to theatres to watch them.

However, with the advancement of technology, entertainment has become much more accessible and diverse. Nowadays, people can access a wide range of entertainment options right from their smartphones or computers. Streaming services like Netflix, YouTube, and Spotify offer unlimited access to movies, TV shows, music, and videos. Social media platforms like Instagram and TikTok provide endless entertainment through photos, videos, and short clips. Additionally, online gaming has become a major form of entertainment, allowing people to connect and play with others from around the world.
