Transcript 1

This is An Binh Commune Radio Station. The rainy season is coming, so today's special programme will tell you about what you should do before, during and after a storm. Before a storm, each family should prepare an emergency kit with necessary things like plasters, basic medicine, a whistle, bottles of water, food, etc. Bring in outdoor things like flowerpots or rubbish bins because they can get blown away by strong winds. Strengthen your house if necessary. During a storm, stay inside. Even when the rain and winds stop, wait because the storm may start up again. Stay away from windows and glass doors. They could break and hurt you. Gather in the safest room in the house. After in the storm, don't leave your house right away. Listen to important instructions from local authorities. They may warn you about which parts of your area are dangerous and should be avoided. Stay away from broken power lines.
