LISTENING TAPESCRIPT

I. Listen and choose the best answer for each question

Mom: Jake, can you help me?

Jake: Sure, what can I do for you?

Mom: Can you please mix that together until it's smooth?

Jake: Okay. What is this anyway?

Mom: It's flour, egg and some milk. We are going to make pancakes.

Jake: Yum! I think they are all mixed.

Mom: Now put it on the heated pan until it cooks.

Jake: Mom! It's cooked! What do I do now?

Mom: Flip it over so the other side is cooked well. Put them on the dish and add toppings like honey, strawberries and cream.

Jake: Like this? I think both sides are cooked.

Mom: Yes! I think we are ready to eat.

Jake: That was easy! Next time I can cook it by myself.

II. Listen and decide whether the following statements are true (T) or false (F).

I'm a great art lover. I look at beautiful paintings and sculptures and wish I could be artistic. I can't draw or paint to save my life. I wonder why some people are so talented and can create amazing pictures, when other people, like me, can't even draw figures. I would like to fill my house with art from all over the world. It's interesting to see how different cultures have different kinds of art. There's nothing better than visiting art galleries when you go to another country. I prefer more traditional art. I don't really understand a lot of modern art. I look at an exhibit of a pile of bricks in a museum but can't see how it's art. I always laugh when my children say, "Daddy, I can do better than that!" I often think they can.
