- A. It allows you to cure or prevent deadly diseases.
B. It helps save people's lives and make a great medical discovery.
C. It makes you do tedious experiments and write long reports.

Question 10. What does Mark think of his dreamt job?

- A. It is a demanding but interesting job.
B. It doesn't have any drawbacks.
C. It can bring good things to people.

SECTION II. LANGUAGE FOCUS

Mark the letter **A, B, C, or D** to indicate the word whose underlined part differs from the other three in pronunciation in each of the following questions.

Question 1: A. digestion B. actual C. congestion D. position

Mark the letter **A, B, C, or D** to indicate the word that differs from the other three in the position of the primary stress in each of the following questions

Question 2: A. narrow B. extreme C. afraid D. correct

Question 3: A. scenery B. festival C. atmosphere D. location

Mark the letter **A, B, C, or D** on your answer sheet to indicate the correct answer to each of the following questions.

Question 4: The former teachers' contributions to Henry's magnificent achievements were _____ those of his parents.

- A. most important B. more important C. important than D. as important as

Question 5: _____ photosynthesis were to stop, life would disappear from the planet Earth relatively quickly.

- A. For B. However C. If D. Although

Question 6: The disposal of waste and rubbish is a hard problem to _____.

- A. carry out B. put up C. deal with D. get away

Question 7: Planting native plants in your garden is a great way to protect and _____ local wildlife.

- A. degrade B. deserve C. serve D. conserve

Question 8: The _____ of living here, of course, is that it is expensive..

- A. glorious B. athletic C. strategy D. downside

Mark the letter A, B, C, or D on your answer sheet to indicate the sentence that is closest in meaning to each of the following questions.

Question 9: My friend told me, "If I were you, I would not smoke so much."

- A. My friend prohibited me from smoking so much.
B. My friend suggested not smoking so much.
C. My friend warned me against smoking so much.
D. My friend advised me not to smoke so much.

Question 10: "Don't forget to tidy up the final draft before submission," the team leader told us.

- A. The team leader suggested tidying up the final draft before submission.
B. The team leader reminded us to tidy up the final draft before submission.
C. The team leader persuaded us to tidy up the final draft before submission.
D. The team leader simply wanted us to tidy up the final draft before submission.

SECTION III: READING

Read the following passage and mark the letter A, B, C, or D to indicate the correct word that best fits each of the numbered blanks.

Alligators have always been the most dangerous predators of the Florida Everglades, (1) _____ their long-held position is now being challenged by a growing population of Burmese pythons.

The Burmese python, a giant snake measuring up to 20 feet (2) _____ and weighing up to 200 pounds, is very popular among exotic pet owners. However, as the deadly snakes grow, they become more difficult to cage and handle. To avoid dealing with the snakes, the owners irresponsibly release them into the wild. Since the Everglades is quite similar to the python's native environment of Southeast Asia, they survive and (3) _____ without difficulty.

The issue with the Burmese pythons is their choice of meals. They eat alligators and endangered birds, (4) _____ creates strain on an already fragile ecosystem. Recently a 13-foot long Burmese python was found with a 5-foot alligator bursting from its stomach. The python died trying to eat the alligator but a larger one would have easily won the struggle. With over 30,000 Burmese pythons now living in the Everglades, a solution to stop this invasive species is necessary. If the pythons are left unchecked, there is a strong possibility they will wipe out (5) _____ species necessary for the functioning of the Everglades ecosystem.

Question 1: A. but B. so C. because D. since

Question 2: A. length B. lengthen C. long D. longer

Question 3: A. prospect B. protect C. prosper D. protest

Question 4: A. who B. which C. whose D. that

Question 5: A. an amount of B. a level of C. a few of D. a variety of

Read the following passage and mark the letter A, B, C or D to indicate the correct answer to each of the questions.

Choosing a career path is a significant decision that can impact an individual's life in various ways. Many factors influence this decision, including personal interests, skills, and market demand. It's

essential to find a career that aligns with one's passions and strengths to ensure long-term satisfaction and success.

One popular career path is in the field of technology. With the rapid advancement of technology, there is a growing demand for professionals with expertise in areas such as software development, cybersecurity, and data analysis. These careers not only offer high salaries but also opportunities for continuous learning and growth.

Another promising field is healthcare. Careers in healthcare, such as nursing, medical research, and healthcare administration, provide a chance to make a meaningful impact on people's lives. The healthcare industry is also known for its job stability and growth potential.

Education is another vital sector that offers rewarding career paths. Teachers, school administrators, and education consultants play a crucial role in shaping the future by educating the next generation. Despite the challenges, careers in education are fulfilling and offer opportunities for professional development.

Entrepreneurship is an alternative career path that attracts many individuals. Starting a business involves risks but also offers the potential for significant rewards. Entrepreneurs have the freedom to innovate and create solutions that can benefit society.

Question 1: The word "its" in paragraph 3 refers to:

- A. career paths B. healthcare industry C. meaningful impacts D. opportunities

Question 2: The word "vital" in paragraph 4 could be best replaced by:

- A. insignificant B. minor C. essential D. optional

Question 3: Which of the following is TRUE according to the passage?

- A. Technology careers offer limited opportunities for growth.
B. Healthcare careers lack job stability.
C. Careers in education are fulfilling and offer professional development.
D. Entrepreneurship is a risk-free career path.

Question 4: What is the main idea of this passage?

- A. Careers in technology, healthcare, education, and entrepreneurship come with unique challenges and opportunities that match individual interests, abilities, and the possibility for long-term development.
B. The growing demand for professionals in technology and healthcare is the primary factor influencing career choices in today's job market.
C. Entrepreneurship offers the most stable career path, as it guarantees high income and job security.
D. A career in education is mainly beneficial for personal development, with limited long-term professional growth potential.

Question 5: According to the second paragraph, what is one major benefit of pursuing a career in technology?

- A. It offers job stability but limited opportunities for career advancement.
B. It provides high salaries and opportunities for continuous learning and growth.
C. It focuses mainly on manual labor and physical skills.
D. It guarantees a fast career progression without the need for additional education.

SECTION IV: WRITING

Part 1: Mark the letter A, B, C or D on your answer sheet to indicate the best arrangement of sentences to make a meaningful letter/ paragraph

Question 1: Dear Tom,

- a. It was a tough decision, but I'm feeling positive about what's to come.
b. I hope this email finds you well! I wanted to share some important news.
c. Furthermore, I'm thinking about taking a short trip before everything gets busy, so let's catch up if you're available.
d. I've decided to pursue a master's degree in London, and I'll be moving there in a couple of months.
e. Wishing you all the best, and I hope we can meet up before I leave!

Mai.

- A. b – d – a – c – e B. d – a – b – c – e C. b – a – d – c – e D. a – b – c – d – e

Question 2:

- a. A healthy lifestyle is essential for both the body and mind, as it helps prevent diseases, improve mental well-being, and boost overall quality of life.
- b. Regular exercise, such as walking, running, or practicing yoga, can significantly improve mood, energy levels, and even cognitive functions.
- c. Ultimately, a balanced diet, rich in fruits, vegetables, proteins, and healthy fats, contributes to better health by supplying the body with necessary nutrients.
- d. Nowadays, many people are focusing on their well-being by adopting healthier diets, reducing stress, and prioritizing mental health as well.
- e. Small changes, such as drinking more water, cutting down on processed foods, and getting regular exercise, can lead to significant long-term benefits.

A. a – b – c – d – e

B. d – a – c – b – e

C. e – b – a – c – d

D. d – a – b –

e – c

Part 2: Choose one of the following topics to write a paragraph (about 80-100 words):

Topic 1: The impact of agricultural practices on soil health biodiversity.

Topic 2: The role of mentors in career development.

SECTION V: SPEAKING

Part 1: Make a conversation between you and your partner using one of the following situations:

Topic 1: Climate change

Situation: You're visiting a farm and discussing the impact of Climate change on agriculture.

Topic 2: Preserving our environment

Situation: You're wandering in a park talk about ways to make your surroundings a better place.

Topic 3: Future job

Situation: You're discussing the your dream job with a friend.

Part 2: Discussion/Debate: Choose one of the following topics to make discussion or debate with your teacher.

Topic 1: Climate change:

Suggested questions:

1. What are the main causes of Climate change?
2. What are some of the effects of Climate change on our planet?
3. How can individuals and governments work together to combat Climate change?

Topic 2: Wildlife Conservation

Suggested questions:

1. Why is it important to preserve the wildlife conservation?
2. What are some of the threats facing the wildlife today?
3. How can individuals and governments work together to preserve the wildlife?

Topic 3: Ecosystem

Suggested questions:

1. What is an ecosystem and why is it important?
2. How do human activities impact ecosystems?
3. What can we do to protect and restore ecosystems?

Topic 4: Future Job

Suggested questions:

1. What job do you want to do in the future?
2. Why do you like it?
3. What skills do you need to succeed in the future?
